STAMPS

Stampin' Up!'s unique stamps come in either red rubber or photopolymer mediums.

Classic red rubber stamps are great for detailed images. Choose from wood-mount (permanently mount your stamps on wood blocks), or clear-mount (temporarily mount your stamps on reusable clear blocks). Transparent photopolymer stamps are ideal for precision placement. Visit AC p. 206 to find reusable clear blocks for use with clear-mount and photopolymer stamps. Stamp artwork is shown at full size unless otherwise noted. Visit stampinup.com/translated to see products available in additional languages.

Take a look at stampinup.com/store for more products and details.

Page numbers refer to this catalog unless otherwise noted. The abbreviation AC refers to the 2018-2019 annual catalog.

Shelli's MESSAGE

Dear friends,

Living a creative life is very important to me. For instance, in 30 years I've never purchased a store-bought card or tag because I genuinely love handcrafting my own. That's part of the way I live my life. I always make time for creating beautiful things with stamps, ink, and paper, especially during the Christmas season. And when I share the things I've made, it's my way of giving a little bit of myself to someone else.

I'd recommend this creative approach to life to anyone, especially during the holidays! Take some time to slow down and share yourself through your crafting, maybe by making your own cards and gift packaging. Start a Christmas tradition, and involve your friends and family. (My grandkids help me papercraft, and I love every minute of it!)

I hope you'll find inspiration within the pages of this catalog to do just that, while you make lasting memories with those you love!

Have a lovely, merry, "crafty" holiday season!
